

# The Crooked Billet

Our Wine List is presented in two formats.

The first section is traditionally laid out in countries and regions.

The second section is laid out according to the type of food the wines may best accompany.

- Indicates out of stock and awaiting delivery

*Wine is the visible proof that God*

*Loves us & wants us to be happy*

## Champagne & Sparkling Wine

Sparkling wine especially Champagne is great with food. Drier fizz goes well with fish tartar and cold seafood especially oysters. The more complex rounded Champagne lend themselves to grilled monkfish, bass and will go well mussels mariniere, roasted game birds like quail and partridge. Rose's are great with white meats, waterfowl, and poached fish, and very good with fresh berries and fruit based desserts.
